Dear Mr. Guerard,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2017-370-E - Joint Application and Petition of South Carolina Electric & Gas Company and Dominion Energy, Incorporated for Review and Approval of a Proposed Business Combination between SCANA Corporation and Dominion Energy, Incorporated, as May Be Required, and for a Prudency Determination Regarding the Abandonment of the V.C. Summer Units 2 & 3 Project and Associated Customer Benefits and Cost Recovery Plans

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Subject: SCANA-Dominion Merger

Please forward to Chairman Fleming
Thank you

Good morning Chairman, I hope all is well with you. I'm writing you to express my disapproval with the proposed SCANA/Dominion merger. It's a horrible long term deal for SCANA customers, customers who can least afford higher power rates. Please remove the BLRA and let SCANA fend for themselves. One of three things will happen. Another buyer will emerge with a much better deal for SCANA customers, or SCANA will roll up its sleeves and cut inefficiencies and survive or SCANA will be forced to declare bankruptcy and restructure without the albatross of debt associated with the failed reactors. Anyone of these scenarios will benefit the 700,000 customers, not a few shareholders. Thank you for your time.

Sincerely

Russell Guerard
